

New Mexico State University

2022 Master Gardener Class

The class will cover basic botany, soils, insects and disease, plant selection, xeriscaping, turf, pruning, container gardening, fruit, berry & grape production, home vegetable gardening, basic landscape design, wildlife management, etc.

Whether you are a beginner or have been gardening for years, learn about gardening in New Mexico's high desert.

The program is offered virtually in pre-recorded online weekly sessions and a live Q&A session with the Specialist each Thursday from 6:00 – 7:30 p.m. Attend live or watch the recording later.

January 10th through March 28th

Cost is \$200.00 Registration is open through January 7, 2022.

Contact the Cooperative Extension Service at losalamos@nmsu.edu to reserve your spot in the 2022 Master Gardener Training Course.

If you are an individual who is in need of special services in order to participate in this class, please contact Los Alamos Cooperative Extension Service at 662-2656 or losalamos@nmsu.edu.
